

6.E.2B.1 Investigating Daily Weather

Table 1: Daily Weather Data

Weather Data	Unit of Measurement	Day 1	Day 2	Day 3	Day 4	Day 5
Date	Day					
Temperature	(°F) or (°C)					
Precipitation	inches or cm					
Humidity	%					
Air Pressure	isobars					
Cloud Cover	%					
Wind Speed	Knots/mph					
Wind Direction (direction that the wind is coming from)	N, S, E, W					

Matching: Weather Careers

- _____ Meteorologist
 - _____ Atmospheric Scientists
 - _____ Climatologist
 - _____ Hydrologist
- Scientist who studies earth's water.
 - Scientist who studies earth's weather over time.
 - Scientist who studies earth's atmosphere.
 - Scientist who studies earth's weather.
