

Generators Chant

Generators generate electricity for ME (Mechanical → Electrical).

**M
O
V
I
N
G**

- wind
- steam
- water
- fossil fuels

spins a turbine, spins a magnet near a coil of wire.

• Generators Chant:

Generators generate electricity for who who who?

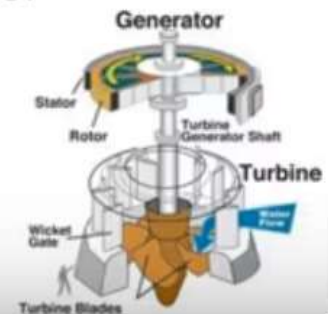

For ME ME ME

Mechanical → Electrical

Mechanical → Electrical

Mechanical → Electrical

ME ME ME

Electric Motors Chant "Oh My Word"

Electric Motor-E to M (Electrical → Mechanical)

Electric Motor Chant:

Oh my word, Electric Motor haven't ya heard?

Oh my word, Electric Motor haven't ya heard?

E to the M

E to the M

E to the M

Ya that's right my friend

E to the M

E to the M

E to the M

Ya that's right my friend

Electrical → Mechanical

Electrical → Mechanical

Electrical → Mechanical

Let's say it again!
